JOHN HENRY NEWMAN NEWSLETTER

Another Great Week at JHN

It has been another busy and successful week at JHN, with lots of wonderful opportunities for our children to learn, grow and shine.

Our Year 5/6 girls represented the school brilliantly at the football competition hosted at TOA this week. The girls demonstrated excellent teamwork, determination and sportsmanship throughout the event. Well done to all involved for playing so well and representing our school with pride.

A huge thank you to all parents and carers who attended our recent parent consultation meetings. These conversations are such an important part of supporting your child's learning journey, and we value the strong partnership we have with our families. As always, we are incredibly proud of our learners and all that they continue to achieve.

We are also thrilled to share some exciting news. This week, EIT hosted a special event where Seele (the company who designed the dome that was unveiled last week) kindly presented the school with a cheque for £20,000! This incredible donation will go towards our much-needed trim trail, which will provide more opportunities for physical development, play and outdoor learning. We are extremely grateful for this generous support.

Looking ahead, our next fundraising focus is the development of a new school library. We would love to hear from any parents, carers or family members who may be willing to support future fundraising events. Whether you can offer your time, expertise, contacts or ideas, every contribution makes a difference. If you think you may be able to help, please contact the school office.

Thank you, as always, for your continued support. Together, we are helping our children to truly 'Let Their Light Shine'!
