JOHN HENRY NEWMAN NEWSLETTER

Welcome back to Term 2! It has been lovely to see the children return so positively and settle quickly back into their learning.

Please remember that all upcoming dates can now be found on our new website, and don't forget to keep an eye on Tapestry for updates and celebrations of learning.

We have made a change to how we share photographs from school. Images shared by the school will now focus on children's work, activities and photographs where children are not identifiable, such as those taken from behind. At future events, we will not be offering filming or photography opportunities during performances or activities. There will, however, be opportunities afterwards for parents and carers to take photographs with their own child.

We are still looking for volunteers to help with our Christmas Fayre on Thursday 10th December.
We would also love to hear from anyone willing to support future fundraising events.

Activities such as school discos can only happen if we have volunteers to organise and run them. **If you can help, please let the school office know and add your name to our volunteer list.**

Thank you, as always, for your support. We look forward to a fantastic term ahead. Stay safe if you visit any firework displays this weekend. Wrap up and enjoy!

Highlights of the week

Looking out

Wear it pink day was another success this year, raising money for breast cancer awareness. Miss. Knight will let us know the total amount raised very soon.

Mrs. Simpson will be selling poppies again next week in support of The Royal British Legion.

Looking Up

Some real Awe and Wonder Moments this week for Year 3 on their visit to Christ Church - what an incredible experience for them all.

Looking In

Mr. Surman, during our Collective Worship, focused on Remembrance. We paused together to remember those who sacrificed their lives in service of others and reflected on how we can let our own light shine through acts of kindness, courage and service to our community
